ROCKY MOUNTAIN RECEPTION

Wednesday, Oct. 3, 2018

6:00 p.m.–10:00 p.m.

Network with fellow members while connecting with what makes the Rocky Mountain region beautiful and unique! Sample some of the world's best small batch whiskey from 291, winner of the Liquid Gold award, among others. Get a close-up view of Colorado wildlife as majestic birds of prey fly overhead. Meet a wolf up close and learn about the behavior and traits of these wild canines. Test your skill with a tomahawk toss (prizes for speed and accuracy)!

Thursday, Oct. 4, 2018

Joe Everson will perform the U.S. National Anthem while creating a patriotic and memorable painting on Thursday, Oct. 4, 2018 to kick off the 28th Annual NTDA Convention General Session & Keynote Presentation. After his performance, the NTDA will hold a silent auction of the painting to raise money for the NTDA Scholarship Program.

Keynote Presentation: The High-Performance Climb

John Foley is a former lead solo pilot of the Blue Angels, a Sloan Fellow at Stanford School of Business, a gratitude guru and an expert in the how of High Performance teams. His exciting, rare journey inspires awe, triggering you to take action and rethink what you believe is possible. Foley employs those intense realities as a metaphor to motivate teams and individuals to reach their highest potential while empowering organizations to sustain excellence under dynamic change. Foley consistently performed in an extreme, high-stakes environment, flying at speeds of more than 500 miles per hour and in formations as close as 18 inches apart.
